

Trueleaf - Organic Micronutrient Fertilizers

Trueleaf is a 100% water-soluble micronutrient fertilizer, which is rich in Zinc, Ferrous, Magnesium, Copper, and Manganese. For cash crops, like cotton and sugarcane, the application of 2 Kg of Trueleaf per month is suitable. For fruit crops, like grapes, pomegranate, papaya, and citrus, the same dose can give good results with a fortnight spray of Trueleaf 2 grams per liter of water.

Specifications:

Product Name	Trueleaf	
Type	Micronutrient Mixture For Drip Application	
HSN Code	2833	
Content	Zn, Fe, Cu, Mn, B, MgSo4 & Hydrolyzed proteins	
Color	White & Brown	
Dose	2 Kg/Acre	
Form	Powder	
Packaging	2Kg, 5Kg, 10 Kg, 25Kg, 50 Kg & Bulk quantities	

Benefits:

- Trueleaf is 100% water soluble amino chelated micronutrient mixture.
- Can be applying through drip irrigation.
- Increases the availability of Micro nutrients for plants.
- It helps balancing the crucial plant hormones and auxins, which are vital for plant growth and cell division
- Essential for chlorophyll synthesis and improves photosynthesis
- Enhances flowering blooms and develops uniform ripening process and it is essential in sugar movement, cell division and amino acid production
- Helps to increase fruit size
- Increases the disease resistance power of plants.

Dose:

2 Kg/Acre for drip application once in a month or as per recommendation of soil analysis report

Recommended Crops:

Grapes, Mango, Pomegranate, Apple, Chickoo, Orange, Banana, Tea, Tomato, Onion, Brinjal, Cotton and all vegetables as well as flowers plant.
